## Photo Ordering, Printing Information... ETC.

After the photo session is complete, your photos will be properly retouched and edited. Please allow 2 weeks for you photos to be completed & returned to you. Once your photos are edited they will be placed into a private client access folder on our website. ([www.cmilesphoto.com](http://www.cmilesphoto.com)) Client will also be given a printing code that must be used during online checkout to choice & order their prints.

All prints will be mailed directly to the customer from our printing company. Each client will be responsible for ordering their own prints. If C. Miles Photography has to order your prints for you, a \$15 processing fee will be applied to your printing order.

Our photo printing company provides great quality prints that will enhance the appearance of your photos. All Clients have permission to get photos printed from the digital disc with another company; however, just be aware that the quality of your images may suffer.
